

## Milan Rifle Club COVID-19 Protection Protocol for CAS Events

1. All participants must observe 6 ft. social distancing, unless wearing a mask/face covering.
2. Timers and scoring tablets will be sanitized each time they are handed off.
3. Hand washing stands will be setup at strategic locations – **USE THEM!**
4. The TO will be required to wear a mask\* from when the shooter is called to the line and until the shooter is at the unloading table.
5. Only one person at a time at each loading table and unloading table. Once the shooter is finished loading and their long guns are in the vertical racks, the next shooter can start the loading process.
6. The loading and unloading officers will be masked or they must maintain 6' social distancing.
7. Maintaining social distancing while eating is the responsibility of the participants.

\* masks are required per Illinois executive order and both state and county health department rules if 6' social distancing cannot be maintained.
